

Health And Safety Policy

Fitflooring will comply with all of its legal duties in pursuance of providing safe and healthy working conditions for all

Fitflooring will take all reasonably practicable steps to ensure that other contractors, occupiers of buildings, or the public are not affected by our work activities.

The Company will co-operate with all those with an interest in health and safety, other employers, clients, contractors and the enforcing authorities. The Company will provide sufficient financial support for the full implementation of the policy and maintain a suitable working environment which is safe and without risk to health.

The Company will ensure that all persons are competent to carry out the duties asked of them, and will provide all information, instruction, supervision and training as may be necessary. The Company will ensure that all employees are consulted on matters of health and safety and will encourage positive employee participation.

All employees and contractors are expected to co-operate in carrying out this policy and must ensure that their own work, so far as reasonably practicable, is carried out without risk to themselves or others.

.

The policy will be kept up to date and will be amended to suit any changes in the size and nature of company activities. In support of this intent the policy will be reviewed annually.
